Education Grant Conference Grant Travel Scholarship

Guidelines and Instructions for Applicants:

Education Grant:

Education grants are intended to support some of the “unexpected” costs associated with a project (e.g. purchase of educational materials, food costs for a presentation, survivor recognition, etc.). Education Grants are NOT intended to support salary or services for an individual (e.g. mammography, ultrasound), development of materials, etc.

Only funding requests which meet the following criteria will be considered for a small grant:

- ⌘ Specific to breast health/breast cancer
- ⌘ Relevant to Komen for the Cure’s promise to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures
- ⌘ Funding request is less than \$2,000
- ⌘ Willingness to acknowledge support of Komen Affiliate
- ⌘ Report financial and progress to Affiliate
- ⌘ Allow participation of Affiliate representative where appropriate
- ⌘ Not for a fundraising activity

All applications must include all items listed below and should be presented in the same order:

1. Completed cover page (previous page)
2. Narrative including the following (2 page maximum):
 - a. Purpose of funding request
 - b. Project goals and objectives
 - c. Benefit to Komen Affiliate
 - d. Timeline
 - e. Other participating sponsors/organization
3. Detailed budget and budget justification
4. Proof of non profit status

Conference Grant:

Conference Grants are intended to support local scientific or educational conferences, symposia and meetings, with an emphasis on those that enhance the interaction between the advocate, healthcare and scientific communities.

Only funding requests which meet the following criteria will be considered for conference sponsorship:

- ⌘ Specific to breast health or to help further the body of knowledge related to research, diagnosis, treatment, education, and/or other issues related to breast cancer
- ⌘ Funding request is less than \$5,000
- ⌘ Acknowledgement of support from Komen Affiliate in all printed materials
- ⌘ Participation of Affiliate representatives where appropriate
- ⌘ Complimentary registration for at least two (2) Affiliate representatives
- ⌘ Display area where appropriate
- ⌘ Activity report following conference that includes number of participants, evaluation of program, and impact of Affiliate sponsorship and participation

All applications must include all items listed below and should be presented in the same order:

1. Completed cover page (previous page)
2. Narrative including the following (2 page maximum):
 - a) Conference program outline
 - b) Target audience and number expected to attend
 - c) Specific sponsorship opportunities (i.e., representation of the Organization at events, on panels or as speakers, where appropriate; complementary registration provided for at least two Organization representatives; exhibit space in visible, conspicuous location)
3. Proof of non profit status
4. Detailed budget and budget justification

Travel Scholarship:

The purpose of this funding opportunity is to provide travel assistance to grantees, health care professionals and advocates to attend, participate in and/or present at meetings, conferences, or symposia that would increase the community knowledge of breast health and breast cancer and facilitate the exchange of ideas and communication between the scientific and lay public.

Only funding requests which meet the following criteria will be considered for a travel scholarship:

- ✘ Conference is relevant to breast cancer as demonstrated by agenda, etc.
- ✘ Funding request is less than \$1,000 domestic or \$2,000 international (to include registration, coach airfare/train/mileage, moderate hotel [room and taxes only], meals, cab fare and tips)
- ✘ Applicant is able to quantify participation and benefit to community
- ✘ Applicant must attend majority of conference or apply for the continuing education credits offered
- ✘ Written report or presentation must be made to Affiliate after Conference

All applications must include the items listed below and should be presented in the same order:

1. Completed cover page (above)
2. Narrative including the following (2 page maximum):
 - a) Conference goals and/or program outline
 - b) Statement of how program is relevant to breast health
 - [4-c](#)) Specifics of participation and benefit to traveler describing ability and intention of traveler to spread information to Komen Affiliate service area
